# ELECTRONIC DEVICES

ELECTRONIC DEVICES are permitted with the following guidelines:

- Players are permitted to use their electronic devices to text, read, surf or play games at the table while NOT in a hand, provided the electronic device does not disturb play or other player:
- Earphones, headphones or ear buds are permitted as long as play is not disrupted and player maintains attention to the game.
- Phone conversations while seated at a table are NOT permitted. Phone conversations must be conducted away from their assigned table and must not disrupt any live play in the room.
- Patrons must step away from the table to answer their phone, if they do so while in a hand, their cards may be declared dead and any money in the pot may be forfeited.
- Players are prohibited from using any device to record or capture: video footage, photographs, or audio sound bites at any time.
- No cell phones or other electronic communication device can be placed on a poker table.
- Cell phones must be placed on silent mode.
- If a player is believed to be communicating with another participant at the table, both players may be asked to leave the room.
- TOURNAMENT PLAY: The above rules apply, however the use of electronic devices will not be allowed once players reach "the money".
